About

Agni Raksha Bharat

Agni Raksha Bharat 2027 is a premier Global Summit, Expo & Awards dedicated to Fire Safety, Fire Protection, Industrial Safety, Emergency Response, Rescue Operations, and Life Safety Technologies. The event brings together government agencies, fire & emergency services, industry leaders, technology providers, infrastructure developers, safety professionals, and global innovators on a common platform to showcase cutting-edge solutions, exchange knowledge, and foster strategic collaborations.

Featuring an international conference, technology exhibition, live demonstrations, B2B & B2G meetings, and prestigious awards, Agni Raksha Bharat 2027 aims to accelerate the adoption of advanced fire and life safety technologies while supporting the vision of Atmanirbhar Bharat and Viksit Bharat 2047. The event serves as a catalyst for building a safer, smarter, and more resilient India.

Why To Participate

Showcase your latest fire safety, rescue, and emergency response solutions to a highly targeted audience.

Connect with senior decision-makers from government, defence, PSUs, industry, and infrastructure sectors.

Generate high-quality B2B, B2G, and G2G business opportunities. Launch new products and demonstrate innovative technologies through live showcases.

Build strategic partnerships with OEMs, system integrators, distributors, and technology providers.

Gain valuable insights into emerging trends, regulations, and best practices through expert-led conferences.

Enhance brand visibility and strengthen your market presence in India's growing fire and life safety sector.

Network with fire services, disaster management authorities, emergency responders, architects, consultants, and safety professionals.

Explore procurement opportunities across smart cities, industrial facilities, transportation, energy, and critical infrastructure projects.

Position your organisation as a leader in advancing fire safety and emergency preparedness for a safer and more resilient India.

Exhibitors Profile

Fire Protection & Fire Fighting Equipment Manufacturers

Fire Detection, Alarm & Suppression System Providers

Industrial Safety & Occupational Health (OHS) Solution Providers

Personal Protective Equipment (PPE) Manufacturers

Rescue, Emergency Response & Search & Rescue Equipment Suppliers

Fire & Rescue Vehicles, Ambulances & Emergency Mobility Solutions

Building Safety, Passive Fire Protection & Fire-Resistant Material Companies

Smart Fire Safety, AI, IoT & Automation Solution Providers

Disaster Management & Emergency Communication Technology Companies

Drones, Robotics & Autonomous Firefighting Solution Providers

Security, Surveillance & Command & Control System Providers

Hazardous Material (HAZMAT) Safety Solution Providers

Electrical & Industrial Fire Prevention Technology Companies

Manufacturing Services Solutions

Electrical & Industrial Fire Prevention Technology Companies

Training, Simulation & Fire Safety Education Providers

Testing, Inspection, Certification & Compliance Organisations

Engineering, Procurement & Infrastructure Safety Consultants

Government Departments, Fire Services & Public Sector Enterprises

Research Institutions, Startups, MSMEs & Technology Innovators

International Pavilions, Trade Associations & Industry Bodies

Visitors Profile

Industry Government Academia

Fire & Emergency Services Departments

Disaster Management Authorities (NDMA, SDMAs & DDMAs)

Defence, Paramilitary & Homeland Security Organisations

Police, Civil Defence & First Responders

Industrial Safety, EHS & HSE Professionals

Oil & Gas, Petrochemical & Chemical Industries

Power, Energy & Utility Companies

Manufacturing & Process Industries

Airports, Ports, Railways & Metro Authorities

Smart City, Urban Development & Municipal Authorities

Architects, MEP Consultants & Building Developers

EPC Contractors, Infrastructure & Construction Companies

Hospitals, Healthcare Institutions & Facility Managers

Hotels, Commercial Buildings & Real Estate Developers

Educational Institutions & Campus Safety Officials

Facility Management & Corporate Security Professionals

Fire Safety Consultants, Engineers & System Integrators

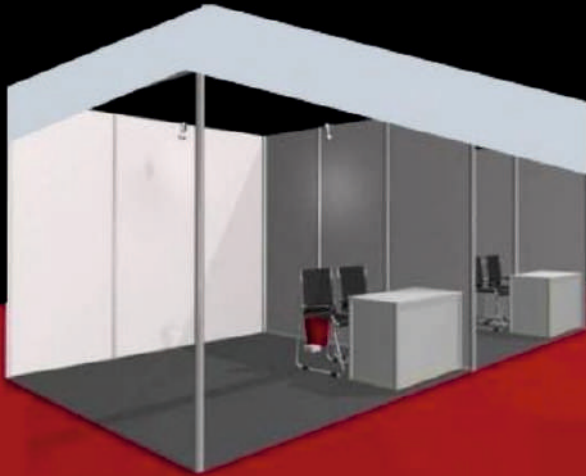

Procurement Heads, Project Managers & Decision Makers

Research Organisations, Academia & Training Institutes

Distributors, Dealers, Channel Partners & Technology Buyers

Participation Details

Standard Walk On

Showcase Launch Demonstrate

Facilities

- 1 Table
- 2 Chairs
- 3 Spotlight
- 1 Power Socket
- Tea/Coffee
- Lunch for 2 Pax

Premium Walk On

Facilities

- 1 Table
- 2 Chairs
- 3 Spotlight
- 1 Power Socket
- Flex Posters for 3 walls
- Tea/Coffee
- Lunch for 2 Pax

Bare Space

Facilities

- 1 Power Socket for 9 Sqr Mtr Each
- Electricity as per requirement
- Tea/Coffee
- Lunch for 4 Pax

Awards Categories

Fire & Industrial Safety Excellence Award
Recognizes excellence in fire prevention and industrial safety.

Fire Safety Innovation Award
Honours innovative fire protection technologies and solutions.

Emergency Response Excellence Award
Recognizes outstanding emergency preparedness and response initiatives.

Emerging Startup of the Year Award
For startups developing fire and safety solutions.

MSME Excellence Award
For MSMEs driving innovation in fire and industrial safety.

Women Leader in Fire & Industrial Safety Award
Honours women leading advancements in safety.

Lifetime Achievement Award
Recognizes outstanding lifetime contributions to fire and industrial safety.

Recognition of Excellence

About Organizer

Trade Promotion Council for Geospatial and Space Industry (TPCGSI) is the not-for-profit apex body representing the interests of Geospatial, Space, Unmanned Systems and Aerospace industries in India and works towards the advancement of these technologies and its applications. TPCGSI is a very strong platform for exchanging ideas, techniques, approaches, and experiences by those who design, implement, and use these technologies and solutions. The Major objective of TPCGSI is to accelerate the adoption of Geospatial, Space, Unmanned Systems and Aerospace industries in India and to ensure that government, industry, academia, and society as a whole understand both the needs of this industry and its contribution to the nation's development.
